Dear Kelleigh,

I applaud your faith-filled spirit evidenced at the "Light the Way" dinner. Your comments of appreciation to those supporting "Kelleigh's Cause" were touching.

AMV needs you as trailblazer so as to awaken the public by using every avenue to advance your cause spiritually and financially, carrying the life-threatening disease yourself, you have made the choice to be pro-active as God's messenger. I support you.

Be assured of my prayers for you, your family and the success of "Kelleigh's Cause".

Cordially yours in Christ,

Most Reverend Robert J. Cunningham
Bishop of Syracuse
